***Minn. 1166* EVERBEARING**

HELLO FOLKS! Oak Hill Nursery has always tried to be the Leader in new varieties. Anything new we try it. This has been our greatest pleasure. We grow and list only the best. It's got to be good for truck growing, resort trade and Catalog Customers.

You have tried the rest now try the best. When the Minn. 1166 Everbearing starts to fruit in July, 1950, you will have a variety that will truly arouse the envy of your friends. This new Minn. 1166 has outyielded both Mastodon and Gem. A record patch of 5,000 plants set in the spring, made over \$2,400.00. There is money in Everbearing Strawberries when one can take a single Acre and make over \$2,000. We did it and so can you. A U. S. Record. Set and harvest all in 129 Days. Just stop and think. A quick cash crop this summer in less time than you could grow vegetables. A Golden Harvest with an enormous crop of gigantic Strawberries. Summertime's most delicious fruit. After August there is no other berries but the Everbearing Strawberry. The later the season the heavier they bear. Also called the Evermore Everbearing.

Light frost will not hurt them. Every garden should have a strawberry bed and pick big luscious berries. After the plants are set, keep off the buds until July. Let only 4 to 6 new plants set to the foot. Clip off the rest. Get more and larger berries. Strawberries solid dark red. No green tips. Ripens evenly. Easy to hull. Giant size at all times of the season. These sparkling jewels have a flavor excitingly rich and tempting. Honey-sweet when dead ripe. You could not ask for more. A double duty Strawberry. Two full crops of Strawberries this year and a full crop in June 1950. Remember the EARLY BIRD. Plants are SCARCE. Plants will be tied with BLUE string. OUR POSTPAID PRICES SAVE YOU 20%.

NEW STREAMLINER

This new STREAMLINER is the World's Largest Strawberry. Spring or Fall, best of all. It has created a sensation wherever grown last year. The Sweetest, Most Delicious of all the Everbearings. We think it is the World's finest. We have always dreamed of an ideal Everbearing that would be larger than the Mastodon and sweeter than the old Champion. Now we got it. Why wait a whole year for Strawberries when you can have fresh fruit from July until Winter 60 days after planting. The new Streamliner has the size. Nature at its very best. These huge berries are round as a ball. Berries weighing as much as $\frac{3}{4}$ ounce. Double red right to the core. Almost black when dead ripe. Has a new tangy sweetness that requires less sugar. Ripens evenly all over. No green tips or spots. Berries color up more brilliantly in late fall. Frost proof. No more crop failures when you have the Streamliner. Vines simply loaded with a Super-Strain Strawberry. Foliage dark green which looks entirely different from other varieties. Truly a Magic Everbearing. You will be proud of the Streamliner. A Double Header. Big crop of Jumbo size berries this year and a normal yield again in 1951. Be wise and get all the profit. Be the first in your locality to grow the Streamliner. Be smart to have the best. It's a dandy to be sure. We were the introducer of the Streamliner in 1942 from a chance seedling found in 1936 in Oregon. Prices reasonable, so order your share of plants early and have a superior strain. Tied with Green String. OUR POSTPAID PRICES SAVE YOU AT LEAST 20%.
